

## 8-14 DOCARE Meeting

To those of you who know me, I have just acquired the ability to be in two places at once, as well as to be invisible. To those of you who don't know me. I was at the meeting and I am watching you, funny how rich wrote the minutes though.

Congrats to all those who are now under our every beckon call. Natalie, Seth you just made the worst decision of your life. The two of you who are now under Mary- good luck. And to the two PAs, I'm sure I will like you, but I'm still pissed that Dierdre didn't run. Other than that, here are Rich's minutes:

12:00 - 12:10 pm - A sh\*t-ton of overzealous M1s show up for meeting. Most with new biochemistry packets in hand.

12:12 pm - Chuck looks good in royal blue.

12:13 pm - Chuck starts the meeting reflecting on the amount of food poisoning he contracted on the mission trips.

12:14 pm - Mary and Tina look equally sexy.

12:14 pm - Chuck's microphone goes out. He sounds like he has a speech impediment.

12:15 pm - Chuck reflects on touching monkeys. Both wild and domesticated.

12:19 pm - Chuck loses the audience.

12:20 pm - Chuck makes jokes about MDs. Audience back.

12:22 pm - Elections for M1 Representative, M1 Physician Recruitment, M1 Webmaster

12:22 pm - PA position will be known as PA Adjunct because Rich can't spell liaison.

12:23 pm - M1s lie about wanting to do third-world medicine and being decent human beings in general in order to get elected. 3 out of the 5 are in white coats... grrrr...

12:28 pm - Natalie is M1 Representative. 4 other M1s now hate her.

12:30 pm - Both students running for M1 Physician Recruiter are appointed, inevitably to cover Mary's lazy @ss.

12:31 pm - 2 M1's run for Webmaster position and quote their astounding resumes of nerdness. One of them is a Level 423 Facebook Pirate.

12:32 pm - Seth is M1 Webmaster.

12:33 pm - Both PA's are appointed "adjuncts"

12:35 pm - Courtney makes an announcement. Male M1's are no longer paying any attention to Chuck.

12:36 pm - Money for Histo DVDs can be given to Chuck or Dr. Dribin. Students are warned not to give Dr. Dribin any cash.

12:38 pm - Open forum for questions. All hell breaks loose.

12:43 pm - Meeting adjourned.

1:01 pm- Ingrid reads email, reclaims secretary position. until further notice.

As an afterthought, this is really inappropriate and completely out of proportion.

Enjoy

Ingrid Rachinski, the real SECRETARY
